STRUCTURED WARRANTS RISK DISCLOSURE STATEMENT

1. This statement is provided to us in accordance with the directive of the Committee of the Bursa Malaysia Securities Berhad dated 6 December 1994 pursuant to Article 50(c) of the Articles of the Exchange.
2. The purpose of this statement is to inform us that the risk of loss in purchasing structured warrants can be substantial. We should therefore assess if the purchase of structured warrants is suitable for us in light of our financial circumstances. In deciding whether to purchase structured warrants, we should be aware of the followings:-
 - (i) The purchaser of a structured warrant is subject to the risk of losing the full purchase price of the structured warrant and all transaction costs;
 - (ii) In order to realise any value from a structured warrant, it is necessary to sell the structured warrants or exercise the structured warrants on or before their expiry date;
 - (iii) Under certain conditions, it may become difficult to sell the structured warrants;
 - (iv) Upon exercise of the structured warrants, the issuer may settle its obligations via actual delivery of the underlying assets, in cash or a combination of both depending on the terms of the issue of the structured warrants;
 - (v) Placing of contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily limit our losses to the intended amount. Market conditions may not make it possible to execute such orders; and
 - (vi) The high degree of leverage that is obtainable from structured warrants because of the small initial outlay can work against or for us. The use of leverage can lead to large losses as well as gain.
3. This brief statement cannot disclose all the risks and other aspects of purchasing structured warrants. We should therefore carefully study the terms and conditions of any structured warrant before we decide to purchase. If we are in doubt in relation to any aspect of this statement or the terms of a structured warrant, we should consult our broker.

Failure to comply may result in criminal sanctions against us and the Company reserves the right to freeze or terminate our account pending supply of all requested particulars and/or verification. In such an event we declare we shall have no claim whatsoever against the Company.
